JUNE 2011

Solution for a table top display: Lookin' great without breaking the budget

Not every display opportunity requires an elaborate and expensive solution. This simple 28x22 inch display sign is versatile and inexpensive. A full color digital print is top coated with a matte finish laminate and mounted on styrene.

Features

- Smudge proof and water proof
- Light weight
- Use indoors or outdoors
- Sturdy folding easel attached

Tape easel to table top if using outdoors in breezy weather.
